

PUBLIC NOTICE

Alcoa, Inc., Tennessee Operations has applied to the Tennessee Air Pollution Control Division (TAPCD) for a [significant modification to an existing major source operating permit](#) subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). A major source (Title V) operating permit is required by both the Federal Clean Air Act and the Tennessee Air Pollution Control Regulations.

The applicant is Alcoa, Inc., Tennessee Operations with site addresses of 300 North Hall Road and 2300 North Wright Road, Alcoa, TN (the North and South plants are considered to be one facility for Title V purposes). They seek to obtain a significant modification to a major source operating permit for their secondary aluminum production operations.

The significant modification involves the addition of an aluminum shredder.

The existing Title V operating permit subject to modification is identified as follows: Division identification number 05-0090 / 548132 – North Ingot. The modification consists of adding an aluminum shredder identified as 05-0090-04.

This significant modification is conducted pursuant to subpart 1200-3-9-.02(11)(f)5(iv) of the Tennessee Air Pollution Control Regulations. Only the portion of the Title V permit affected by the significant modification is open to comment during the notice period.

EPA has agreed to treat this draft Part 70 permit modification as a proposed Part 70 permit modification and to perform its 45-day review provided by the law concurrently with the public notice period. Although EPA's 45-day review period will be performed concurrently with the public notice period, the deadline for submitting a citizen petition to object to the EPA Administrator will be determined as if EPA's 45-day review is performed after the public comment period has ended (i.e., sequentially).

The status regarding EPA's 45-day review of this project and the deadline for submitting a citizens petition can be found at the following website address: <http://www.epa.gov/region4/air/permits/Tennessee.htm>

A copy of the application materials used by the TAPCD and a copy of the draft permit are available for public inspection during normal business hours at the following locations:

Blount County Public Library
508 N. Cusick Street
Maryville, TN 37804
(865) 982-0981
Fax (865) 977-1142
Kathryn E. Pagles, Director

and

Tennessee Department of Environment and Conservation
Division of Air Pollution Control
9th Floor, L & C Annex
401 Church Street
Nashville, TN 37243-1531

Also, if you require a copy of the draft permit it is available electronically by accessing the TDEC internet site located at:

<http://www.tdec.net/apc/ppo/>

Interested parties are invited to review these materials and comment. In addition, a public hearing may be requested at which written or oral presentations may be made. To be considered, written comments or requests for a public hearing must be made within thirty (30) days of the date of this notice and should be addressed to **Mr. Barry R. Stephens, P.E., Director, Air Pollution Control Division, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531**. Questions concerning the source(s) may be addressed to Steven Simpson at the same address or by calling (615)-532-0545.

Individuals with disabilities who wish to participate in these proceedings (or to review these filings) should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

For *The Daily Times* -- publish once during the time period of September 18, 2006 through September 29, 2006.

Air Pollution Control
